

# CENTURY + RCV

## Community Engagement Summary

Century Affordable Housing Development has partnered with Urban Semillas and Heart Forward LA to conduct community engagement, building on and centering the ongoing work of community groups like the HICP. Through online working groups, as well as in-person workshops, the process aims to uplift community voices, develop relationships, and establish communication and trust.

	What words best describe what the community like to see?	What design spaces would you like to prioritize?	What community spaces would you like to prioritize?
DESIGN	31% of participants prioritized an <b>"Efficient"</b> design, followed by 22% responding <b>"Modern"</b> .	52% of respondents prioritize <b>organization and safety</b> while 19% prioritize <b>residential density</b> .	32% of respondents prioritize <b>Employment Opportunities</b> , followed by 29% prioritizing <b>Healthy Foods</b> .

	What community programs should be prioritized?	What site elements are you most interested in seeing in this project?	What should open space focus on?
