CENTURY SUSTAINABLE IMPACT NOTES

**Building communities
through affordable
housing**

Century Housing Corporation is a mission-driven Community Development Financial Institution (CDFI) that finances quality, affordable housing throughout California to provide dignified homes, healthy and hopeful futures, and economic independence to the people we serve. From our start as a state agency and through our past 25 years as a non-profit, Century has invested more than \$2 billion to create and preserve 46,500 homes while creating thousands of construction jobs. Century-financed developments showcase a unique legacy of serving our triple bottom line: positive financial, social, and environmental outcomes supporting a more just and sustainable future in the places where help is needed most.

*The notes have been designated Sustainability Bonds by Sustainalytics due to the environmental and social impacts of the housing created by Century's financing of affordable housing. S&P Global assigned a long-term issue credit rating of AA- with a stable outlook and Fitch Ratings assigned a rating of AA with a stable outlook to up to \$150 million of the notes. Please check the current pricing supplement for credit ratings assigned to notes currently being offered for sale. An S&P or Fitch credit rating is not a recommendation to buy, sell or hold notes and may be subject to suspension, reduction or withdrawal at any time. The sustainability designation and these credit ratings should not be the only factors investors rely on when assessing the merits and risk of this investment. Investors should rely on the terms as presented in the prospectus
